ALFRESCO

ALFRESCO SAUVIGNON BLANC

CALIFORNIA

SAUVIGNON BLANC

The History

With Alfresco, we aim to strip wines down to their very essence, leaving only the honest, fresh aromas and fruit flavors as nature intended them to be. Always crisp, because we only use carefully selected ripe grapes with balanced acidity that brings the wine to life. Unoaked to make them easy drinking.

The Grape

100% Sauvignon Blanc

Tasting Note

An easy-going, fruit-forward white wine made from grapes harvested in and around Napa, California. Delicate aromas of crisp citrus complement lush notes of passion fruit and subtle white peach on the palate.
