## Chaix Wines

Rutherford,  
Napa Valley

Cabernet Sauvignon

### The History

Our story in the Napa Valley began more than 110 years ago. Our goal as growers has remained consistent over the century – let our fruit reflect the essential elements of the land and the qualities of the growing season. As vintners our philosophy is much the same. At Chaix Wines we handcraft a Cabernet Sauvignon with grapes sourced exclusively from our historic estate. We let the fruit inform and guide the winemaking process, capturing the flavors and characteristics for which Rutherford is internationally famous. This has been our winemaking program since our first vintage in 2008.

### THE GRAPE

100% Cabernet Sauvignon

### TASTING NOTE

Compelling aromas of dark fruit, dry earth, cocoa, leather, and dried herbs combine to create a ruby-colored wine overflowing with flavors of ripe plums, cassis, and black cherry. Finish is long and mineral-driven with fine-grained, silky tannins.
