Koehler Winery

Chardonnay

The History

Situated on the celebrated Foxen Canyon Wine Trail in the Santa Ynez Valley, Koehler Winery is located in one of California's most diverse and distinctive growing regions. The micro-climatic diversity on the 100 acre estate results in a superb quality of fruit, and Koehler's 40 year old vines are recognized as among the best in the Santa Ynez Valley and surrounding area.

Winemaker Colin Murphy and Vineyard Manager Felipe Hernandez, one of the most skilled and knowledgeable vineyard managers in Central California, collaborate regularly to ensure the quality of the fruit improves from year to year. The vines are diligently tended, from pruning through harvest, to ensure they thrive in harmony with the natural conditions of the vineyard.

The Grape

100% Chardonnay

Tasting Note

The Chardonnay exhibits a color of golden straw. The nose yields aromas of fragrant orange blossom, ripe quince, and traces of fresh baked goods. The first sip reveals flavors of baked lemon tart and green apple with crisp acid. Secondary nuances of tropical pineapple and guava give way to a finish of creamy marshmallow and golden toast. Drink now through 2019.
