**The History**

Located in the Cove of Paulilles "Grand Site de France", Les Clos de Paulilles, symbolic estate between Collioure and Banyuls, whose quality of wine is recognized all over the world, extends over 100 hectares of valleys and schistous terraces among with 65 hectares planted in vines.

Its totally renewed cellar, its site of reception and its restaurant on the beach constitute a magic place dedicated to Wine Tourism.

**TERROIR :** Vines on schistose terraces and/or slopes, worked by hand. Goblet pruning. Mediterranean climate (warm and dry), very windy with a maritime influence (Cove of Paulilles). Age of the vines: 20 years-old. Yields: 25hl/ha.

**WINEMAKING :** Harvested by hand. Grapes are first sorting and destemmed before being put in stainless steel tanks where the alcoholic fermentation is done under temperature controlled (25°C). Each grape variety is vinified separately.

**AGEING :** 15 months of ageing in stainless steel tank. Blending is made just before bottling. This wine is then stored in air-conditioned

**The Grape**

**60% Grenache Noir, 15% Mourvèdre, 25% Syrah**

**Tasting Note**

This wine shows spices and well-ripen fruit aromas. Each grape variety brings its characteristic too: Mourvedre shows elegance, Grenache some roundness and Syrah gives a unique minerality.

Excellent with Oriental and Mediterranean food, osso-buco , thyme flavored lamb.
