SANCERRE

Domaine Des Brosses Sancerre

France
Loire Valley

Sauvignon Blanc

The History

The Girard family have six different parcels of Sancerre vineyards. Their hillside vineyards are located on classic clay and chalk soils, giving the grippy, mineral style expected of true Sancerre. Domaine des Brosses has used a machine harvester to collect the grapes since 1989. This is so that the Sauvignon Blanc is brought to the winery in the coolness of night-time, thus retaining the classic citrus and gooseberry aromas and flavours of Sancerre.

The Grape

100 % Sauvignon Blanc

Tasting Note

Bright and pale golden. A fresh, citrus palate with herbaceous notes of hay and nettle. Richly textured but with crisp acidity and textbook minerality. The finish is elegant with the typical purity and refreshment of excellent Sancerre.

Food Pairing

It will complement salmon, red tuna, seafood and mixed salads
