Koehler Winery

Sauvignon Blanc

The History

Situated on the celebrated Foxen Canyon Wine Trail in the Santa Ynez Valley, Koehler Winery is located in one of California's most diverse and distinctive growing regions. The micro-climatic diversity on the 100 acre estate results in a superb quality of fruit, and Koehler's 40 year old vines are recognized as among the best in the Santa Ynez Valley and surrounding area.

Winemaker Colin Murphy and Vineyard Manager Felipe Hernandez, one of the most skilled and knowledgeable vineyard managers in Central California, collaborate regularly to ensure the quality of the fruit improves from year to year. The vines are diligently tended, from pruning through harvest, to ensure they thrive in harmony with the natural conditions of the vineyard.

Tasting Note

This brilliant white wine presents subtle aromas of lime zest, soft orange blossom, and wet stone. It shines brightly with acidity but also reveals notes of exotic pomelo and rich meringue. From hints of Granny Smith apple, the wine finishes clean and fresh.
