CHARDONNAY

The History

The hills of Macon form a group separated by parallel faults and are either North / North East or South / South West facing slopes. They extend over 40 km to the west inline with Tournus to Mâcon. Thanks to the powerful abbeys of Cluny and Tournus the vineyards have been established here since Gallo-Roman times.

Siliceous clay or sandy, often mixed with "chert" or sandstone pebbles, promotes a premature Chardonnay.

Average age of vines: 20 years. The vines are worked using integrated viticulture.

Plantation: 10,000 feet / hectare. Yield: 60 hl / hectare.

The Grape

100 % CHARDONNAY

Tasting Note

White golden in colour with silver hues. A fresh and expressive bouquet with white flowers, citrus fruits and peach notes. A frank palate which presents a pleasant saline finish. The whole offers a tasty wine with a nice freshness.

Ideal as an aperitif, but also with poultry and veal in creamy sauce, creamy risotto with meat or fish, grilled fish, cold antipasti and ratatouille, mixed salads, sushi.
