

Hillside Wines & Spirits
Artisan Wines & Spirits Distributor

Burgundy, France

Moillard Meursault

Meursault

Chardonnay

The History

It is Chardonnay which is best suited to the land of the Côte de Beaune. This excellent land was highlighted by the Cistercian monks from the year 1098. Average age of vines: 30 years. The vines are worked using integrated viticulture. Plantations: 10,000 vines / hectare. Yield: 40 hectoliters / hectare.

THE GRAPE

100% Chardonnay

TASTING NOTE

Pale bright yellow in colour. As soon as the first flavours release, the great potential of this wine is detected: the notes (still closed) of jasmine, hazelnuts, schist and Williams pear need a few years to offer their complex and enchanting fragrance completely! The palate is very clear, powerful and has an incredible length. Welcome in the world of the greatest white wines!
