### The History

Situated on the celebrated Foxen Canyon Wine Trail in the Santa Ynez Valley, Koehler Winery is located in one of California's most diverse and distinctive growing regions. The micro-climatic diversity on the 100 acre estate results in a superb quality of fruit, and Koehler's 40 year old vines are recognized as among the best in the Santa Ynez Valley and surrounding area.

Winemaker Colin Murphy and Vineyard Manager Felipe Hernandez, one of the most skilled and knowledgeable vineyard managers in Central California, collaborate regularly to ensure the quality of the fruit improves from year to year. The vines are diligently tended, from pruning through harvest, to ensure they thrive in harmony with the natural conditions of the vineyard.

### The Grape

100% Riesling

### Tasting Note

Light straw in color, with aromas of fragrant nectarine, elder flower, and Honey Dew melon, this Riesling is a show stopper. Juicy white peach greets one on the first sip, followed by spicy ground ginger, and ripe Meyer lemon. 0.05% residual sugar adds length to the fruit on the palate balanced by substantial acidity. The wine finishes with bold key lime and luscious honey. Drink between now and 2018.
