MOILLARD RULLY CUVÉE PRESTIGE

Rully

RULLY CUVÉE PRESTIGE

The History

Rully is one of five villages in the Cote Chalonnaise region of Burgundy. The still Chardonnay and Pinot Noir wines from Rully are often described as easy drinking, food friendly, and reasonably priced and there are 23 Premier Cru vineyards from which to discover excellent value wines. Rully's real claim to fame is Crémant de Bourgogne, a sparkling wine produced in the Champagne Method.

The Grape

100% Chardonnay

Tasting Note

Golden yellow with green highlights in colour. One cannot miss in this wine the pure expression of the Côte Chalonnaise: minerality with chalky notes, freshness with a great acidity holding together the finish, elegance with orange blossom and hawthorn notes
