Koehler Winery

Syrah

The History

Situated on the celebrated Foxen Canyon Wine Trail in the Santa Ynez Valley, Koehler Winery is located in one of California's most diverse and distinctive growing regions. The micro-climatic diversity on the 100 acre estate results in a superb quality of fruit, and Koehler's 40 year old vines are recognized as among the best in the Santa Ynez Valley and surrounding area.

Winemaker Colin Murphy and Vineyard Manager Felipe Hernandez, one of the most skilled and knowledgeable vineyard managers in Central California, collaborate regularly to ensure the quality of the fruit improves from year to year. The vines are diligently tended, from pruning through harvest, to ensure they thrive in harmony with the natural conditions of the vineyard.

The Grape

100% Syrah

Tasting Note

Slightly toasty notes compliment the typical aromas of spicy boysenberry, black olive, and smoked meats. While not necessarily fruit driven, there is still a juicy berry component backed by subtle cinnamon and vanilla. The Syrah finishes with dark jam, peppered with hints of cocoa and anise. Drink between now and 2025.
