'LE FAUQUET'

The History

Behind the vines is the soil ; behind the wine there are men. Our long family history could not exist without our duty to its memory. The Domain is not only the winery we know today, it also represents the birthplace of our childhood. It is a place of memories, of time passing and of new beginnings. Vines are our custodians and also our roots. They passed on their own values; those of the land : humility, constancy and respect.

The Vacqueyras appellation is the land of our childhood. It's complexity fascinates us and we feel deeply connected to this land. It is floral in nature and we protect it to develop it.

Gigondas appellation gives us the Mediterranean fragrances we find in our wines.

The Grape

GRENACHE, SYRAH, MOURVEDRE

Tasting Note

The 30 years-old vines of Le Fauquet remain in a place called « Le Petit Montmirail » southwest of the famous limestone massif : Les Dentelles de Montmirail. The vines produce a greedy wine very fruity with rich aromas. A pure and distinguished wine with Grenache, Syrah and Mourvedre grape varieties.

- Light garnet color
- Fragrances of garrigue, thym and bay
- Very flavorful in the mouth
- Dark fruits, raspberry and pomegranate aromas
- Smooth and fine tannins
- The finish is long with some mentholated notes.
