Scarlett Sauvignon Blanc

Rutherford

Sauvignon Blanc

The History

Scarlett Wines is the celebration of one family's lifelong passion for winemaking. In the heart of [Napa Valley](#), among verdant hillsides and majestic mountain ranges, four generations of wine growers have built a legacy handcrafting ultra premium estate wines that are equal parts heart and soul, art and science. While we take our winegrowing and winemaking very seriously, we never lose sight of our guiding principle – that wine is meant to be delightful, approachable, and above all, enjoyed!

The Grape

84% Sauvignon Blanc

16% Semillon

Tasting Note

Glistening blonde and steely lemon hues greet the eye while juicy stone fruit, white flowers, and clementine jump from the glass. Primarily pineapple cake and grapefruit on the palate, these juxtapose with an expressive nose of beeswax, apricot, and melon. Its rich and oily mineral mouthfeel is followed by tangy acidity with flinty, lightly crushed gravel elements. The finish is crisp, slightly tart with a medium+ length. A perfect summer wine you can enjoy now through 2021. Whole cluster pressed and allowed to settle for 4 hours, then racked into a combination of 16% Stainless Steel barrels and 84% French oak barrels - 16% of which were new. Inoculated with Perlage yeast and fermented dry, malolactic fermentation blocked with sulfur additions
