CORTE DEI VENTI

CORTE DEI VENTI BRUNELLO DI MONTALCINO

ITALY

The History

A young family operation with historical roots, Corte Dei Venti is an absolute marvel to behold. Situated due east of Sant' Angelo in Colle, the southernmost commune of the Montalcino DOCG, their majestic property traces its roots back to the 13th century as an agricultural settlement.

The Grape

100% Sangiovese Grosso, locally called Brunello.

Tasting Note

Dry and warm, with great gustatory intensity. The excellent fullness and roundness in the mouth are very well in balance with the freshness and the structure attribute to robust tannins but at the same time gentle, assuring that this wine has prospective and longevity in future years.
