The History

Etienne Terlinden – Winemaker & Owner

Etienne's passion for wine was rooted in his grandfather's wine cellar at the family's chateau near Brussels in Belgium while his winemaking talents came to life in Santa Barbara County where he became interested in the area's unique microclimates and ability to produce wines with distinct character. Etienne handcrafts small batches of exceptional wines, each varietal expressing a very certain old world sensibility. Etienne is also Executive Winemaker for Summerland Winery and consulting winemaker to a dozen or so others in the Santa Barbara area.

The Grape

100 % CHARDONNAY

Tasting Note

"My Chardonnay is from the Santa Maria Valley AVA in the rolling hills of northern Santa Barbara County where some of the finest Chardonnay grapes are grown. The morning marine fog and the afternoon ocean breezes make the cool-climate Santa Maria Valley prime for Chardonnay with slow ripening grapes that result in an expressive, well-balanced wine with a rich palate and fresh acidity. Aged sur lees for 8 months in neutral French oak barrels, I left just a kiss of oak on the bright fruit. "
