DAUPHIN

DAUPHIN GRAND PUY DUCASSE

FRANCE

AOC PAUILLAC

The History

The vineyard's 40 hectares (99 acres) are divided between three main plots which lie on sandy Garonne gravel within the Pauillac appellation.

The vines border those of Mouton, Lafite and Pontet-Canet to the North. In their central part, they cover part of the Bourdieu of Grand Puy, and, at their southern extremity, the Saint-Lambert plateau.

The Grape

60% Cabernet Sauvignon & 40% Merlot

Tasting note

Excellent, with generous, spicy nose. The palate exhibits beautiful red-fruit flavors and the attack follows with a good presence of tannins, powerful and well coated. Delicious and crispy, will be better appreciated after a few more years (3-5 years).
