### The History

*Since 1875, The Domaine Des Brosse, is run by the same family. In 2007 Nicolas took over half of the property which about 22 acres of Vineyard planted, 18 acres of Sauvignon Blanc and 4 acres of Pinot Noir.*

*Soils “argilo-calcaires” Claylike, limestone « terres blanches » white soil « stony ». The underground is exclusively limestone typical of the appellation.*

### The grape

100 % Pinot Noir

### Tasting note

A rich wine, more powerful from cropping changes and targeted winemaking. The fruit of our work highlights a delicate nose with flavors of black fruit (cherries, currants) accompanied by a soft and greedy mouth meele to discrete woody notes.
