Cortese di Gavi

The History

Hillside vineyards in the Tassarolo region. A stylish, graceful wine, far from commonplace. Floral nuance of hawthorn and lily complement fruitier notes of banana, followed by subtly pungent citrus, hay, and mint. Beautifully balanced on the palate, it concludes with a tasty, fruit-edged finish enlivened by a refreshing crispness. The ideal wine to enjoy every day, or as often as you wish. Serve in tulip-shaped glass at 10° C. Vineyards, with any of our property are located in the municipality of Tassarolo; their name derives from the

Winemaking

The grapes are transferred to the cellar immediately and undergo soft pressing to extract the very best from the fruit. Fermentation takes place slowly at a controlled temperature (18-20°C, to maintain the typically rich aromas of the Cortese di Gavi varietal) and lasts for up to 20 days. The wine is bottled in february or March to allow a minimal ageing, period in bottles before the wine is sold, and to make sure it reaches a certain level of maturity and balance.

Tasting Note

The wine is very pleasant the spring after the harvest but is at its most enjoyable after a few months in the bottles. It can be kept in bottles for several years without suffering in quality.
