The History

Located on an unbeatable environment, right in the Golden Mile and under the watchful eye of the Castle of Peñafiel; we exert ourselves everyday to be able to offer you our more painstaking and intimate interpretation of the art of crafting wines. We select our finest vineyards, harvest our grapes at its optimal maturation level. A refined care through the entire process, rested in selected barrels for elegance and refinement, followed by the necessary time of bottle ageing for you to enjoy at its best.

100% Verdejo

Tasting Note

Pale yellow, brilliant with reflexes green emerald. Fresh and intense nose of great complexity that develops as the wine breathes, showing minerals notes together with some cinnamon hints, vanilla and honey, that remarks its barrel ageing with its lees. It is fresh and tender in the mouth with a rounded finish, and its fleshiness and unctuousness incite us to keep enjoying it.
