Respiro Chianti

The History

The **vineyards** are located in the most propitious areas of the valley, starting from the river (100 m a.s.l.) and climbing up as far as Villamagna (460 m a.s.l.). Each vineyard has its own different pedo-climatic characteristics, good exposure to the sun and a soil which is rich in stones and organic substances.

Tasting Note

This terrific Chianti has an alluring bouquet of black fruit and violets; rich flavors of cherry and leather.
