Silencio De Miros

Ribera del Duero, SPAIN

Ribera del Deuro

The History

Silencio de Miros gets the essence of our most appreciated vineyard: “Rafael Vineyard”. Located at nearly 3.000 feet high, under the watchful eye of the Castle of Peñafiel. From the appreciated “Golden Mile”, this wine is cuddled from the harvest, to the bottle, resting in new French oak barrels the right and proper time that our winemaker decides according to the characteristics of each vintage.

The Grape

Tempranillo

Tasting Note

Deep red cherry color with violet rim. It shows fresh aromas in the nose, combining red currant, plumbs and raisins. Also displays some light hints of violets and truffles. Very well integrated aromas with a background of mild coffee toast and light touches of spiciness after being aged in French oak barrels. Powerful, elegant and lively in the mouth, followed by a light astringency typical of this vineyard.
