The History

*"Looks good. We stay." That was our message back to France in 1980 after we spied on California. Au revoir France. Hello Napa Valley!*

The Grape

100% Chardonnay

Aging: 10 Months in French Oak

Tasting Note

Stylistically, this wine is a mean and lean quiet assassin: understated and reserved now, this wine will develop and mature further in the bottle over the coming months and years. The color is a brilliant canary yellow with great clarity and vibrancy. Aromatically, fresh pineapple, kiwi fruit, Granny Smith apple Tarte Tatin and Asian pears dominate the bouquet with warm hints of white flowers and subtle elegant notes of toasty new French oak.

In the mouth, racy acidity quickly presents itself making the wine fresh and crisp. Honeydew melon, apples, pears and vanilla fill your mouth, but in a lean and bright manner, unlike vintages that are more ripe and tropical with a heavier and more viscous body. Enjoy this wine over the next 5-10 years with rich cheeses, fatty fish dishes and pasta or chicken with cream based sauces.
