## VGS SAUVIGNON BLANC

**NAPA VALLEY**

**Sauvignon Blanc**

### The History

Chateau Potelle was born when we moved from France in 1980, to be part of the California winemaking adventure. We wanted to be creative in making wine rather than being constrained by the years of traditions that existed in France. At the beginning, we found California wines to be too ripe and rich, very bold, and way too oaky. Soon we realized that a culinary revolution was taking place! The food that was being created by the young American chefs was more delicate and refined - the ingredients were respected and celebrated. The marriage of quality and simplicity eliminated the need for the "gravy" cover up. In food and in wine, less is more. Alas, we were on the same page!

### Tasting Note

Fresh and inviting, this Sauvignon Blanc displays aromas of kafir lime, wild fennel, lemongrass and serrano pepper. The wines liveliness is really showcased on the palate as well. Flavors of tropical fruits such as guava and pineapple come into play right away, while a subtle oak influence provides some body and a slight nuttiness to the wine. With so many nuances, you are sure to discover more aromas and flavors over the next 1-2 years.
