MENDOCINO

CABERNET SAUVIGNON

The History

Symbol of American celebration and tradition. Established in 2010 by our friend and Sommelier Dave Bender, we wanted to offer a product that combined his wine experience and passion for entertaining friends and family with the Brutocao family's 74 year history of growing grapes and producing wine. As can be common at these gatherings- one bottle is never enough- but don't despair for *Thee Who Has The Bottle's Final Drips Is Entitled To A Single Wish®*.

THE GRAPE

100 % Cabernet Sauvignon

TASTING NOTE

classic example of Cabernet Sauvignon that illustrates how well this grape varietal performs in California. In this bottle you will taste black currant, red currant, and black cherry fruit. The rich, full bodied flavors are accented with an edgy structure and dusty tannins- ready to please even the most sophisticated wine palate.
