WISH WINE CO

MENDOCINO

CHARDONNAY

The History

symbol of American celebration and tradition. Established in 2010 by our friend and Sommelier Dave Bender, we wanted to offer a product that combined his wine experience and passion for entertaining friends and family with the Brutocao family's 74 year history of growing grapes and producing wine. As can be common at these gatherings- one bottle is never enough- but don't despair for *Thee Who Has The Bottle's Final Drips Is Entitled To A Single Wish®*.

THE GRAPE

100 % Chardonnay

TASTING NOTE

racy Chardonnay with refreshing acidity , a medium body, and a finish with length and restraint. The most prevalent flavors are pear, honeydew melon and pineapple with lingering tropical flavors. .
