WISH WINE CO

MENDOCINO

RED BLEND

The History

Symbol of American celebration and tradition. Established in 2010 by our friend and Sommelier Dave Bender, we wanted to offer a product that combined his wine experience and passion for entertaining friends and family with the Brutocao family's 74 year history of growing grapes and producing wine. As can be common at these gatherings- one bottle is never enough- but don't despair for *Thee Who Has The Bottle's Final Drips Is Entitled To A Single Wish®*.

THE GRAPE

53% Sangiovese - 29% Barbera - 14%
Primitivo - 4% Zinfandel

TASTING NOTE

Our Red Blend was created with your best interests in mind. Our Italian inspired red blend combines Sangiovese, Barbera, Primitivo, and Zinfandel. It has a nose of raspberry which is followed by a round mouthfeel bursting with fresh cherries and hints of spice. This wine finishes with integrated tannins and good acidity to make it a perfect food match. Mature flavors are a clear indication that this wine is ready to drink.
