WISH WINE CO

MENDOCINO

ZINFANDEL

### The History

Symbol of American celebration and tradition. Established in 2010 by our friend and Sommelier Dave Bender, we wanted to offer a product that combined his wine experience and passion for entertaining friends and family with the Brutocao family's 74 year history of growing grapes and producing wine. As can be common at these gatherings- one bottle is never enough- but don't despair for *Thee Who Has The Bottle's Final Drips Is Entitled To A Single Wish®*.

### THE GRAPE

100% ZINFANDEL

### TASTING NOTE

Fruit for this wine is sourced from two of our best producing vineyards- Bliss and Feliz vineyards. A variety of soil types coupled with the hot days and cool nights allow for a rich, fruit driven wines to be produced. This balanced Zinfandel has aromas of dried cherries, mocha, and tobacco followed by flavors reminiscent of blackberry jam. The mid-palate is round with black pepper dominating; the finish has soft tannins with a hint of chocolate.
