Chardonnay

The History

During his tenure at Domaine Serene, Rynders became one of the most highly acclaimed winemakers in America, obtaining a record number of 90+ point scores from Wine Spectator magazine. In addition to a variety of accolades, over his 10 years with the vineyard Rynders developed more than 25 different products for Domaine Serene, as well as conceptualizing and developing the syrah brand, Rockblock. In 2008, Rynders launched his own successful wine consulting business and founded Tendril Wine Cellars, which currently focuses exclusively on small lot Oregon pinot noir

The Grape

70% Chardonnay

30% Pinot Noir

Tasting Note

This interesting, slightly pink-hued wine is a blend of 70% Chardonnay with 30% Pinot Noir. The wine begins with aromatics of white peach, grapefruit blossom and a hint of orange rind. The palate is smooth, refined and refreshing yielding ripe flavors of cantaloupe, white grape, nectarine and a touch of strawberry. Refreshing and lithe, this has wonderful mid-palate weight.
