ORCHARD LANE SAUVIGNON BLANC

Marlborough

MARLBOROUGH

The History

The Orchard Lane winery lies down a long quiet lane in the heart of the Marlborough wine growing region. In an area once surrounded by apple orchards only one gnarled row remains, providing fresh apples to our winemakers over harvest.

The Grape

100% SAUVIGNON BLANC

Tasting notes

Sourced from two special vineyards in the heart of Marlborough Sauvignon Blanc country, our 2019 version was fermented in stainless steel tanks separated by block until blending, preserving the crisp tropical fruit flavors and aromas.

Orchard Lane Sauvignon Blanc is packed with ripe tropical aromas of passionfruit, mangoes and white florals. The palate is rich and rounded with crisp hints of citrus fruits.
