PUNCTUM ESTATES

CASTILLA LA MANCHA

2000 LEGUAS

The History

At Punctum, the estate grown grapes are turned into world class organic and biodynamic wines according to the tradition handed over for centuries in Spain and by the modern means of a sustainable agriculture and winemaking.

Founded and owned by the Fernandez family, “Finca Fabian” estate currently includes over 200 hectares of vineyards. The winery is located adjacent to the vineyards allowing for keeping the maximum quality in the production of the whites, reds, young and aged wines.
