The History

The Château Ferreyres vineyard is situated on a unique terroir on splendid sunny hillsides. The proliferation of Silex in the sandy-clay soils bestows powerful red berry notes on the wine, as well as a unique balance, which allows these wines to be appreciated from their early years onwards, but also to be conserved and savoured at a later date.

The grape

40% Sauvignon, 60% Semillon.

Tasting note

A 100% natural Merlot from a young and dynamic winemaker, Florian *Bouchon*. Fruity, fresh, smooth red wine from *Bordeaux*
