Château FERREYRES

CHATEAU LE PETIT BOUCHON BORDEAUX RED

France
Bordeaux

Sauvignon - Semilion

The History

The Château Ferreyres vineyard is situated on a unique terroir on splendid sunny hillsides. The proliferation of Silex in the sandy-clay soils bestows powerful red berry notes on the wine, as well as a unique balance, which allows these wines to be appreciated from their early years onwards, but also to be conserved and savoured at a later date.

The grape

100% MERLOT

Tasting note

Deep red in colour with purplish hues, the nose is marked by sweet, plummy fruit with hints of wild flowers and herbal characters. To drink, this is wonderfully fresh and vibrant, ripe cherries and raspberries pop in the mouth, with tangy rhubarb and mulberry, grippy tannins and a quenching acidity keeping it clean and crisp and mouthwatering on the finish. You can even dunk this in the fridge for half an hour for extra freshness.
