PINOT NOIR

The Vineyard

Madame Veuve Point is the unique story of a woman winemaker whose Pouilly-Fuissé won the Grand Prize at the Saint Louis world's fair, in the USA in 1904. Today, Géraldine Point has picked up the torch from her great-great Grand mother and will guide you to discover all the diversity of Burgundy with over 30 AOP wines mainly from the most famous Villages.

The grape

100% Pinot Noir

Tasting note

its deep red appearance, of a ruby purple gives way to a sumptuous nose with fragrances of blackberry, blueberry, cherry tone and mature plums. Maturity brings out the leather, pepper and notes of rosat coffee. One can particularly appreciate its round texture, supported by a nice tannic, strong consistency.

Food Pairing

To be enjoyed with wild boar terrine, a nice piece of grilled beef with "bearnaise sauce", coq au vin, sushi and cheese (Beaufort)
