PINOT NOIR

The Vineyard

Madame Veuve Point is the unique story of a woman winemaker whose Pouilly-Fuissé won the Grand Prize at the Saint Louis world's fair, in the USA in 1904. Today, Géraldine Point has picked up the torch from her great-great Grand mother and will guide you to discover all the diversity of Burgundy with over 30 AOP wines mainly from the most famous Villages.

The grape

100% Pinot Noir

Tasting note

This wine made from Pinot Noir offers a deep purplish, black cherry hue, and aromas of peony, violet, and red fruit with a hint of licorice. The attack is incisive, with solid tannins constructing a robust palate with a superbly refined texture.

Food Pairing

Its aromatics diversity allows a harmonious pairing with a braised beef or roast duck, couscous, vegetable spaghetti with tomato sauce. For the cheese selection, pick a brie.
