PINOT NOIR

The Vineyard

Madame Veuve Point is the unique story of a woman winemaker whose Pouilly-Fuissé won the Grand Prize at the Saint Louis world's fair, in the USA in 1904. Today, Géraldine Point has picked up the torch from her great-great Grand mother and will guide you to discover all the diversity of Burgundy with over 30 AOP wines mainly from the most famous Villages.

The grape

100% Pinot Noir

Tasting note

This dark, intense Volnay Premier Cru Santenots displays a seductively sumptuous nose of plums intertwined with violet, redcurrant, cherry and lightly oak notes. Concentrated and complex, it expresses itself in many nuances, with a delicate velvetiness accompanied by an immense aromatic intensity. Full bodied, with dense, chewy tannins, this is a wine destined for ageing.

Food Pairing

It will complete a classic dinner with duck breast "à l'orange" or as low-casseroled poultry. More adventurous food lovers will pair it with a generous Moroccan tajine, potato or squash gratin. Its intensity will be perfect with mature cheeses.
