CANARD VINEYARD ESTATE RESERVE

NAPA

Cabernet Sauvignon

CANARD
VINEYARD

The History

Situated on the Northwest corner of Dunaweal Lane and the Silverado Trail in Calistoga, the twenty-six acre property is considered a historic vineyard in Napa Valley. The property was the original homestead of Captain Reason P. Tucker, who gained notoriety for leading the efforts to rescue the survivors of the ill fated Donner Party. The residence at Canard was built in 1859 and quickly became the center of social activity in the area during the late 1800s. Zinfandel was planted over 135 years ago and remarkably those dry farmed vines still stand, yielding a small quantity of incredibly elegant fruit which goes into their highly coveted Reserve Zinfandel. Over the years, Merlot, Cabernet Franc, Petit Verdot and of course our Cabernet Sauvignon were planted and have been meticulously cared for using painstaking but extremely effective vineyard practices. Creating wine at this level demands a great deal of discernment and sacrifice and most of it takes place in the vineyard. The result is the culmination of what man and nature can do when they work together in harmony.

The Grape

100% CABERNET SAUVIGNON

Tasting Note

100% Cabernet Sauvignon from our dry farmed clone 7 block, which consistently year after year produces the finest fruit in the vineyard. Open top, barrel fermented and then aged in the same French oak barrels. Dark, very rich with velvety but firm tannins. Blackberry and current dominate the palate. Long, so elegant finish with hints of clove and spice. This will easily age 25 years +
