Tarente Rose

The History

Moulin de la Roque is the work of a group of wine-growing families united in the same goal; men and women driven by the same love of their work and the land of Bandol. Bandol is a vast natural amphitheater planted with vines, looking out to the Mediterranean sea. It is an encounter between sun, sea, wind, rock and vegetation. Producers here are the go-betweens that help bring the best out of each element

The Grape

89% Mourvèdre – 11% Cinsault

Tasting Note

Light ruby color that reflects beautiful legs in the glass. Ample nose which reveals a delicate bouquet mixing notes of red fruits and exotic fruits. Tender and rich attack, with a magnificent balance of fruit. The finish is lingering, coated with touch of greediness.
