VGS CHARDONNAY

MOUNT VEEDER—NAPA

CHARDONNAY

The History

Chateau Potelle was born when we moved from France in 1980, to be part of the California winemaking adventure. We wanted to be creative in making wine rather than being constrained by the years of traditions that existed in France. At the beginning, we found California wines to be too ripe and rich, very bold, and way too oaky. Soon we realized that a culinary revolution was taking place! The food that was being created by the young American chefs was more delicate and refined - the ingredients were respected and celebrated. The marriage of quality and simplicity eliminated the need for the "gravy" cover up. In food and in wine, less is more. Alas, we were on the same page!

The Grape

A blend of 68% Bald Mountain Vineyard, Mount Veeder, Napa Valley Chardonnay &
32% Bacigalupi Vineyard, Russian River Valley, Sonoma Valley

Tasting Note

These two cool vineyard sites produce a bright and zesty wine with vibrant acidity and laser-focused minerality.

Aromatically, this wine jumps from the glass onto your palate!

It is a seductive wine with a great energy. Intoxicating and warm aromas of yellow peach, nectarines, apricot oil, almond croissants, cardamom spice and lime sorbet. In the mouth, a wonderful and fresh acidity frame this solid Chardonnay making it a great wine for the cellar. The citrus once again takes its place at center stage in this rock-

n-roll wine in the mouth. On the palate, it is rich and luscious without being heavy. This wine is delicious now but will continue to mature and develop more complex

flavors and aromas over the next 5-8 years in your cellar

Aging: 40% in new French Oak Barrels, 30% Neutral Oak barrel, 30% in Concrete Egg Tank
