The Grape

100% Chardonnay

Wine Making

The because of these vines are tailed in simple Guyot. Type of sustainable farming: throughout the year, soil maintenance is carried out mechanically by regular ploughing in order to avoid chemical weeding. After pressing, the juice obtained is settled at a low temperature and then racked and transferred directly to our barrels in order to proceed with its alcoholic fermentation (between 12°C and 19°C). Malolactic fermentation takes place in oak barrels and the wine is aged for a minimum of 8 to 12 months depending on the vintage.

Tasting Note

Chablis 1er Cru Vaillons is a very pleasant wine with marked notes of yellow fruits and white flowers. Its full, silky palate gives it a remarkable length that will awaken your taste buds. This wine, both floral and mineral, with a fairly light colour, will be ideal with fish in cream or white meat such as a veal chop.
