Tasting Note

Dense nose, menthol, black fruit full of freshness. Deep notes of blackberries and raspberries. With aeration, the wine reveals another range of aromas specific to our garrigue: rosemary, thyme. Mouth Round and suave attack, underlined by aromas of dark berries and notes of black tapenade. The freshness in the mid-palate brings a real personality to the wine. The 2022 vintage reveals a real dynamism, fresh and rich in fruit.
