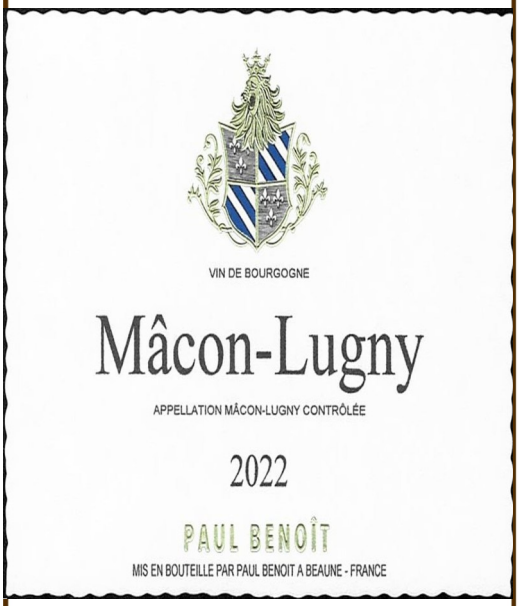
MAISON GOICHOT

Burgundy

2022 Macon-Lugny



The Appellation

Maison Goichot was created 3 generations ago. Their connection to Burgundy can be found in its terroirs. They work to express their unique character and infinite diversity throughout their Domaines and their wine trading activities. It is one of the last independent trading houses in Burgundy.

The Grape

100% Chardonnay

Wine Making

Produced on the slopes of the Mâconnais region, Mâcon-Lugny benefits from a variety of exposures that allow the grapes to ripen to their full potential on clay and limestone soils. Mechanical harvest. Fermentation (alcoholic + malolactic) in stainless steel vats.

Tasting Note

Golden color with silver reflections. Aromas of broom, white rose, acacia, lemongrass and citrus (grapefruit, mandarin). On the palate, the finish brings hints of pine, quince and fennel.
