## SAINT JULIEN

**The History**

Ideally located in the northwest of the Saint-Julien appellation, Château Moulin Riche is composed of 20 hectares of vineyard in a single block, planted in gravel over sand and clay. From this terroir are born wines that are absolutely delectable, yet still ech- oing the elegant, structured style of the appellation.

**The grape**

53% cabernet sauvignon, 26% merlot and 21% petit verdot
